

Nation Business: Sins of the Sons

Howard Hudson

Nation Business is the story of a Chicago hustler that wants to exit the game and go legit so he designs a one year plan to stack as much money as he can before bowing out. Things go as planned until that year comes, and goes, and the man is still knee deep in the dope game. His failure to adhere to his self-imposed exit proves to be a blessing and a curse. This is the first installment of a three book series.
