

Nation of Nations: With Interactive E-Source CD v.2

James West Davidson, Christine Leigh Heyrman, Michael B. Stoff, William E. Gienapp, Mark Hamilton Lytle

Known for its unsurpassed narrative style and careful blending of social and political history, Nation of Nations is a leader in the movement toward a more balanced approach to teaching the American History survey. The fourth edition of this popular text offers major changes in organization, content, and style, and added pedagogical features throughout make this survey text the most inviting on the market. Packaged with the interactive eSource CD-ROM, which combines print, media, and Web-based study materials into one, easy-to-use resource that accommodates a wide variety of learning styles, Nation of Nations now offers a powerful new resource of multimedia learning tools.
