

# National Tales, Vol. 1 of 2 (Classic Reprint)

Thomas Hood

Excerpt from National Tales, Vol. 1 of 2 It has been decided, by the learned Malthusians of our century, that there is too great an influx of new books into this reading world. An apology seems therefore to be required of me, for increasing my family in this kind and by twin volumes, instead of the single octavos which have hitherto been my issue. But I concede not to that modern doctrine, which supposes a world on short allowance, or a generation without a ration. There is no mentionable overgrowth likely to happen in life or literature.
