

# Native American Mandalas

Klaus Holitzka

From Sioux sun symbols to a Hopi rock drawing, these 31 Native American mandalas to colour - each accompanied by a quote, prayer, or song - capture a range of traditional motifs. Feel the power of the Cheyenne sign of the universe, the Rising Rain Deity of the Hopi, Navaho thunder arrows, a collage of mystical symbols from the Ojibwa, Yokut weaving designs and a labyrinth from the Papago. Other examples include shields, the four directions, the sun dance, a falcon and more - all illuminating the Native American respect and regard for Mother Earth and the Great Spirit.
