

# Native Texan

A Nobody

Ben may have believed he had thought of the perfect crime, but in the end, did he? Native Texan is an entertaining look at the power of media, the fallacy of stereotypical labels including prejudice and racism and the consequences there of. Humbling consequences of an apparent perfect crime, fueled by ego, prejudice, and stereotype. A shocking example of taking responsibility for ones actions, then having the fortitude to right wrongs. A thriller with a touch of who done it woven in with between the line statements addressing the shortcomings of our society. With todays society having it share of issues, Native Texan offers an example of commitment second to none.
