

Natives of Australia (Classic Reprint)

N W Thomas

Excerpt from Natives of Australia Dr. Seligmann has been good enough to communicate to me the result of some inquiries into gesture language in North Queensland, made for him by Captain Pim I have learnt much from Mrs. Stow (Mrs. Langloh Parker) and Madame Birds reminiscences have also been put at my disposal. My heartiest thanks are due to all the ladies and gentlemen named here, and to others who have promised information, which I hope to utilise in a general work on the aborigines, now in preparation. I shall be glad to send a list of questions to any one who will either supply me with information on special points, or send photographs, with brief descriptions.
