Natuashish

Natuashish is an Naskapi community in the Canadian province of Newfoundland and Labrador. The community is inhabited by the Mushuau Innu First Nation. Natuashish (Little Sango Pond) was established in 2002 as a planned community in the hopes of resolving the social problems that had plagued the prior community of Davis Inlet, 15 km away. Initially, reports suggested that the Canadian governments plan of renewal and healing had been a failure.
