

# Nature Adventures

Illustrated by Mick Manning, Brita Granström

A guide to child-led family activities centred on nature rambles in different habitats - park, seaside, woodland, moorland, river and lake etc - through the seasons. Spreads comprise large colourful identification illustrations complemented by activities and facts. Activities include identifying common European species of insects, plants, mammals and birds, looking for tracks, feathers, droppings, making plastercasts of tracks, and collecting and displaying seeds, leaves and fruit and nuts.
