

The Natural Aquarium Handbook

Ines Scheurmann

Beginners and experienced aquarium hobbyists will find a wealth of advice on maintaining a balanced aquarium that supports a wide variety of freshwater fish, animals, and plant life. Advice covers everything from maintaining a clean aquatic environment to selecting compatible fish varieties for your tank. Titles in Barrons popular Pet Handbooks series instruct pet owners on health care, proper feeding and housing, and other facts important to owners and their pets. All books in this series have high quality, full-color photos, instructive line drawings, and run to an average of approximately 140 pages.
