

# The Natural History of Southern New Zealand

Edited by John Darby, Edited by R. Ewan Fordyce,  
Edited by Alan Mark, Edited by Keith Probert,  
Edited by Colin Townsend

Bringing together this environment and the scientists who study it, The Natural History of Southern New Zealand is a major new book published by Otago University Press in association with the Otago Museum. Fifty-three authors, most from scientific disciplines and leaders in their specialist fields, combine hundreds of years of collective expertise and research to describe the nature of the region in thirteen chapters.
